Come learn about...

- ***The Civic Mission of Schools Report*** developed by the Carnegie Corporation of New York and the Center for Information & Research on Civic Learning & Engagement (CIRCLE) identifies four goals of civic education and recommends six promising approaches to improve it in schools.
- ***The California Campaign for the Civic Mission of Schools***, a project of the Constitutional Rights Foundation in collaboration with the Center for Civic Education and the Alliance for Representative Democracy is dedicated to building a coalition for public support, policy analysis, and change, *and* demonstrating effective civic education practices and programs.
- ***Education for Democracy: California Civic Education Scope and Sequence*** document funded by the California Department of Education describes ways in which civic education content and skills are introduced in the primary grades and reinforced through high school.
- ***Resources and materials available*** to help the young people in your schools acquire the skills, knowledge, and attitudes that will prepare them to be competent and responsible citizens throughout their lives.
