RESOLUTION NO. 06-06

A RESOLUTION OF THE SAN LUIS OBISPO COUNTY BOARD OF EDUCATION  
PROMOTING CIVIC RESPONSIBILITY

WHEREAS, there is a great need to nurture and teach youth as they develop their thoughts and ideas of character and citizenship; and

WHEREAS, schools can play a crucial role in facing the increasing challenge of finding common ground among those of differing cultures and attitudes; and

WHEREAS, a quality civic education should help young people acquire and learn to use the skills, knowledge, and attitudes that will prepare them to be competent and responsible citizens throughout their life; and

WHEREAS, the importance of a student's grasp of the concepts of civic responsibility and respect for others cannot be underestimated; and

WHEREAS, the First Amendment enables Americans to find common ground for living respectfully and civilly with one another in the midst of diverse opinions; and

WHEREAS, character and citizenship education should emphasize that each individual is responsible to respect others and their freedom of conscience; and

WHEREAS, students should understand that respecting others is crucial, that debate and disagreement are vital in a democracy, and that individuals and groups must resolve their differences and learn to live in collaboration with those who do not agree; and

WHEREAS, respect demands that the manner in which issues are debated is just as important as the topic, and that the heart of good citizenship is a strong commitment to the civic values that enable people to find common ground and treat one another with civility and respect in spite of differences; and

WHEREAS, promoting civic responsibility and respect for others can help prepare today's students to make a profound impact for the common good and the future of their communities, state, nation, and the world;

NOW THEREFORE BE IT RESOLVED, that the San Luis County Office of Education will provide character and citizenship education that promotes civic responsibility and respect for others;
